PRICING

Full price for the 16-day / 15-night Australia tour is \$7422 USD with a single supplement of \$1066. I understand that this price is based on an estimated increase of 20% over 2022 prices and could change. Prices in US dollars are based on the average currency exchange rate of .75 USD : 1 AUD; fluctuations in the currency exchange rates at the time full payment is due could necessitate a change in final price. I further understand that the price quoted is for a group of 9 – 10 participants, and a surcharge will apply for groups smaller than 9. I will have the option of withdrawing from the tour and receiving a full refund of any deposits and payments in the event the small group surcharge is more than I am willing to pay.
